Clarification Note No. 1

Invitation to Bid No. SEC/29/2015 – Supply and Delivery Skoda Vehicles

The Organization for Security and Co-operation in Europe has received a request for clarification from potential bidders with regard to mandatory requirements.

In accordance with Article 16 of the ITB Documents the OSCE would like to provide the following clarification:

Question:

Ref.: Radio with CD player with USB

All radios in new MY2016 Skoda Octavia cars are upgraded.

Is it acceptable for OSCE to be offered with factory-installed radio system Swing from new generation equipped with USB, Aux In, SD Card and Bluetooth connection but without CD player?

Answer:

Since this is a factory upgrade, the OSCE can accept this new model of radio without a CD player.
