Clarification Note No. 1

Invitation to Bid No. ITB/SEC/09/2016 – Supply and Delivery of Detection Equipment

The Organization for Security and Co-operation in Europe has received a request for clarification from potential bidders.

In accordance with Article 17 of the ITB Documents the OSCE would like to provide the following clarification:

Question:

In the subject ITB, the specifications listed in LOT II Items 3 & 4 appear to be quite prescriptive. For example in Item 3 it is stated that the small UXO search head is to be a diameter of 35 cm.

Please advise if OSCE will accept submissions that do not comply fully with the stated requirements.

Answer:

The size of the UXO search head should be up to 35 cm in diameter. The shape of the search head can be round, oval or others.
