Clarification Note No. 2

Invitation to Bid No. ITB/SEC/09/2016 – Supply and Delivery of Detection Equipment

The Organization for Security and Co-operation in Europe has received a request for clarification from potential bidders.

In accordance with Article 17 of the ITB Documents the OSCE would like to provide the following clarification:

Question:

LOT I, Item No. 1, Auxiliary Services: "GPS subscription two (2) years"

Does this mean that any kind of reference (connection) service which is working in the Ukraine can be used?

Answer:

GPS connection with the location precision of up to 1 cm is required. Any service accessible in Ukraine with the mentioned requirements can be used.

Question:

LOT I, Item No. 1, Subject: „Computer laptop“

Is the required computer laptop meant to be used for data analysis and visualization only? Or is it supposed to be used to operate the multi-channel magnetic detection system in the field?

Answer:

The required computer laptop is meant to be used for visualization and data analysis after the data was collected during the actual scanning of the territory.
