Clarification Note No. 1

Request for Quotation RFQ 76/2016

Countering anti-Semitism through education -Educational Video Episodes – pilot phase

The Organization for Security and Co-operation in Europe has received a request for clarification and we would like to provide the following clarification:

Question 1: May the bidder be a consortium of firms?

Answer 1: The offer has to be provided by one legally registered company/organisation or association. The company may sub-contract services to another entity, but has to clearly list full sub-contractors data.

Question 2: RFQ does not specify the length of each episode - mentioning only that it should be short - if so how short should they be? 5 to 10 minutes or longer?

Answer 2: Episodes should be 2-3 minutes long

Question 3: would they be broadcasted on TV?

Answer 3: It would be great if the episodes are broadcasted on the TV as well but this is at the moment not the main focus. This will also depend on the local tv stations and their willingness to broadcast them.
