CLARIFICATIONS NO.1

28 November 2016

Ref.: Request for Quotation 439924
Provision of website hosting services for POLIS Online Information System

1	Question	Response
	QUOTE (…) what the IT hosting environment itself (unless it is Fully Managed environment) corresponds with this requirement: "Bidder should have extensive experience in providing specialised hosting, support and maintenance for Atlassian products (Confluence, Crowd, Hipchat)"? UNQUOTE	QUOTE It means that the IT environment should be tailored to the needs of Atlassian products in terms of hardware setup and software configuration. UNQUOTE
