

Dear prospective bidders,

In accordance with provisions set in Invitation to Bid, ITB/BAH/489394/2018 Supply and Installation of the (LOT 1 ) Intruder Detection System and (LOT 2 ) Street Lights in Ammunition Storage Site Kula 2 Mrkonjic Grad, OSCE BiH organized a mandatory pre-bid meeting and site visit on 16<sup>th</sup> March 2018. Companies interested to participate in this ITB had the opportunity to ask questions and survey the site so they can be more familiarized with the situation on the ground. The minutes of the meeting, questions and answers from the site visit and **amended** Technical Compliance Form and Pricing Format are posted on OSCE web site: <https://procurement.osce.org/tenders/supply-and-installation-intruder-detection-system-and-street-lights-ammunition-storage-site>

Due to the increased requests for bidding documents since this date and in order to provide fair competition and the same bidding conditions for all companies interested, OSCE BiH will organize an additional **site visit in Kula 2, Mrkonjic Grad on Tuesday, 10<sup>th</sup> April 2018.**

Companies that were present on first site visit are not obliged to attend the second site visit, but if they need some further clarifications and insights, they are welcome to participate. **For new companies who have recently received the bidding documents and were not present for the first site visit but who are interested to bid for one or all of the LOT's, this site visit is mandatory.**

Please use attached Annex F - Acknowledgement Letter to confirm your presence and send it to following email: [procurement.ba@osce.org](mailto:procurement.ba@osce.org) by Monday 09th April, 12:00 hrs. Please note that OSCE BiH will not accept bids from the companies who did not attend a site visit. A written record of the second visit will be provided to all bidders who have received documents.

**Please note the closing date for submissions is 18<sup>th</sup> April 2018,  
1400hrs.**
