Clarification Note #2

Invitation to Bid (ITB) No. UKR/07/2018 - Supply and Delivery of ICT Hardware Devices and Software

In accordance with issued ITB No. UKR/07/2018, the OSCE would like to provide the following clarification to the ITB Documents.

Question 1:

What is the required length of Armoured plastic fibre cable, line-item #3 of Annex C_Technical Specifications and Compliance Form?

Answer 1:

The required length of Armoured plastic fiber cable is 400 meters.

Question 2:

Should the Small form-factor pluggable transceiver, line-item No. 4 of Annex C_Technical Specifications and Compliance Form, be compatible with D-Link switches?

Answer 2:

Line-item No.4 "Small form-factor pluggable transceiver" should be compatible with Cisco equipment.

Sincerely,

Emina Sibic
Emina Sibic,
Chief of Fund Administration,
OSCE Project Coordinator in Ukraine
