

Summary of the Clarifications for ITB SER 03 2020

Question 1: In our system, camera does not have „digital zoom camera zoom 3X as in position 2.8“, „digital zoom camera zoom 5X as in position 1.8“ and as requested , but we can offer digital zoom camera with optical zoom 12x. Is it acceptable for this tender?

Reply: *It is acceptable to have digital zoom camera with 12x zoom. 3x zoom in position 2.8 and 5x zoom in position 1.8 are minimal requirements.*
