

Summary of the Clarifications for ITB SER 08 2020

Question 1: As we are Dell distributor and premium partner, is there any possibility to offer Dell notebooks instead of HP. Of course same class notebook, just different vendor?

Reply 1: *OSCE PC platform is HP, and our narrow ICT standards, only models specified in Annex D are satisfying.*

Question 2: During delivery procedure do you definitely need Certificate of Origin?

Reply 2: *We would need to have certificate for Grade A refurbishing.*

Question 3: The requested models are old and undeliverable. For reference, the current generation is G7. Is EliteBook 840 G7 with its corresponding Docking Station an acceptable alternative?

Reply 3: *No alterations from advertised tech spec are possible. Only models we have specified can be accepted.*

Question 4: Can you accept laptops with 14" display.

Reply 4: *Yes*

Question 5: Is self-encrypting drive functionality compulsory in case of SSD drive?

Reply 5: *Yes*

Question 6: Is M.2 format compulsory in case of SSD drive?

Reply 6: *Yes*

Question 7: Is the HP EliteBook 840 G5 or G6 (both more recent versions of the requested model) be acceptable alternatives?

Reply 7: *No alternative would be accepted.*

Question 8: Would Windows 10 Pro operating system be an acceptable alternative to the requested Windows 7 Pro?

Reply 8: *No alternative would be accepted.*

Question 9: Is it acceptable to offer USB-C docking station for HP Elitebook 840 Generation 7 (LOT3)?

Reply 9: *No alternative would be accepted.*
