

PUBLIC CALL FOR IMPLEMENTING PARTNERS TO PROVIDE A STRATEGIC ANALYSIS ON FINANCIAL AND ECONOMIC ASPECTS OF ORGANIZED
CRIME

CLARIFICATIONS

	Questions	Responses from OSCE
1	Is there any standard format for the Technical Proposal and Financial proposal, to be used by the applicants?	There is no standard format for the Technical Proposal and Financial proposal. You are expected to provide the level of information as requested in the EOI.
2	In the document of the Call, under section 2) Specific tasks of the implementing partners, it is specified that the implementing partners should provide the OSCE with a mid-term and financial report by March 2021, and narrative and financial reports for the above-described service, by June 2021. Considering the other tasks specified under section 2), including financial support to a CSO as well as capacity building and mentoring to scale its activities and impact, could you please confirm that the timeframe set in the call for the reporting is correct (especially the one for the final narrative and financial reports)?	<p>The information is correct and that, in accordance with the issued Call for Implementing Partners and its point 2(7), the IP shall: "Provide the OSCE with narrative and financial reports for the above-described service, upon completion of activities and according to the schedule that will be specified in the Implementing Partner Agreement, tentatively by June 2021."</p> <p>The funds we intend to use for financing this IPA are expiring on 30 June 2021, and we need to submit a final narrative and financial report to the donor within the timeframe of two months from the expiry date. Considering that, we will make sure that the potential IPA contains detailed information on the due date of the final reports.</p>
