

Clarification Note No. 2

ITB/SMM/05/2022: Supply and Delivery of Mini Unmanned/Unarmed Aerial Vehicles (UAV) – DJI Quad-copters, con-sumables, accessories and aftersales services.

Q1 *Terms of Reference and Technical Compliance Form, Annex C, LOT 1, Item 4 and 6 (optional) are specified as GCS Holder: DJI RC-N1 Remote Controller Tablet Holder and GCS Holder: DJI RC-N1 Remote Controller Holder. Are both items referring to the same product GCS Holder: DJI RC-N1 Remote Controller Tablet Holder?*

Answer: Items 4 and 6 of Annex C, LOT 1 are referring to the same product: DJI RC-N1 Remote Controller Tablet Holder. Please disregard Item 6 of the LOT1 Mandatory Requirements table as it is a duplication of Item 4.

Q2 *Terms of Reference and Technical Compliance Form, Annex C, LOT 2, Item 1 Battery: DJI Mavic 2 Intelligent Flight Battery. This battery is end of life globally. The only chance to find it if some supplier still have it in their stocks. Is it ok to offer DJI Mavic 2 Enterprise Intelligent Flight Battery instead?*

Answer: In case DJI Mavic 2 Intelligent Flight Batteries cannot be sourced from other suppliers, DJI Mavic 2 Enterprise Intelligent Flight Batteries can be proposed and will be taken into account.

Q3 *Pricing format for LOT 1. Do you want the total price summary to include the two optional items? Or do you want the total specified in different parts, i.e. item 1-4, item 5 and item 6 separately?*

Answer: Please disregard Item 6 listed under LOT 1 as it represents a duplication of Item 4. The only optional Item is number 5 – DJI RC Pro controller for Mavic 3 UAVs. The cost for this optional item can be included in the LOT1 pricing table included in Annex D. Price for each item should be listed as a separate line.
