

**Clarification Note 1 to RFQ/SER/01/2024 - Accommodation and conference services in South Backa District from 11.03. - 14.03.2024**

Q: Are you able to accept accommodation in two different hotels in case of availability issues with one hotel?

A: Participants may be accommodated in two hotels of the same category and quality of service, if the supplier as the Contracting party (in case they are being selected for this RFQ) assumes responsibility for the services under this RFQ and may ensure binding both proposed hotels by the same terms and conditions by the Contractor would be bound under the Contract. Additionally, the following has to be ensured:

- **that both hotels are within a distance of three hundred meters**
- **that the event should take place in one conference hall for all participants**
- **the conference room should be in one of the hotels or equally distant from both, within walking distance**
