

TERMS OF REFERENCE

Background/Objectives of the assignment:

The OSCE Support Programme for Ukraine (SPU) was launched on 01 November 2022 in order to continue to support the Ukrainian Government's reform efforts, provide a platform for continued Ukrainian efforts in implementing OSCE commitments, and to mitigate the increased risks to civilians caused by the war against the country.

Within the ExB Project No. 1102578 "Enhancing Capacities of National and Local Stakeholders to Provide Psychological Support and Social Protection to Children", it is envisaged to provide equipment (Furniture and decoration) to four social centres of the local communities in Rivnenska and Kyivska regions in order to equip comfort zones for children affected by war. All items in the list will be handed over and installed in the selected premises. Local social centres are willing to use the procured equipment / items to provide services to children in accordance with mapped needs in line with best practices.

The planned purchase shall consist of Furniture and Decoration.

Based on the above, the OSCE SPU requires supply and delivery of Furniture and decoration and provision of associated services on assembling and installation of delivered items to the following four locations in Rivnenska and Kyivska regions: 1) 3a Slovatskoho St., Rivne; 2) 2a Ruslana Dubovtsia St., Rokytno, Rivne Oblast; 3) 12 Bohdana Khmelnytskoho St., Demydivka, Rivne Oblast; 4) 4/1a Kashtanova St., Obukhiv, Kyiv Oblast.

All the Furniture and decorations shall be provided according to the technical specifications and requirements provided below. The sample visualization of the comfort zones for children provided in the Annex 1 to the Terms of Reference.

Quotations submitted as separate complete LOTs are accepted. Bidder can bid for one or more LOTs. Quotations are not accepted for partial compliance to any one LOT. Quotations shall be submitted as the following complete LOTs:

LOT I - Supply and Delivery of Standard Furniture and Provision of Associated Services on Assembling and Installation;

LOT II – Supply and Delivery of Non-Standard Furniture and Provision of Associated Services on Assembling and Installation;

Evaluation and award will be made separately for each LOT.

LOT I - Supply and Delivery of Standard Furniture and Provision of Associated Services on Assembling and Installation

TECHNICAL SPECIFICATIONS AND REQUIREMENTS

TECHNICAL SPECIFICATIONS:

No.	Item Description & Technical Specifications	Q-ty
1.	Transforming table 430-750*900-1800*900	7 pcs
	<i>*Picture sample is provided for illustrative purpose only</i>  <i>The items must be manufactured in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions (folded): Height: 430 mm, Length: 900 mm, Width: 900 mm Dimensions (unfolded): Height: 750 mm, Length: 1800 mm, Width: 900 mm Color: White or similar to the white palette (cream, ivory, beige, eggshell, pearl, bone, vanilla, alabaster, linen) Material: Particle board with an additional surface coating for scratch resistance. Freestanding Kronospan particle board. White material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Transformation mechanism: The table uses a reinforced transformation mechanism for easy conversion. It shall be made of metal with a corrosion-resistant coating and shall ensure smooth and reliable folding/unfolding of the table. The material of the slides shall be metal with a thickness of not less than 1.5 mm or an equivalent strength. The table legs are equipped with plastic wheels with locks. Warranty obligations shall apply to the plastic wheels (replacement in case of breakage) and the components of the folding mechanism. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
2.	Round table white height 500 diameter 800	1 piece

	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height 500 mm, Diameter 800 mm Tabletop material: High-strength particle board, color – white Legs: Material - metal, color – black The table design shall include four supporting legs evenly positioned to ensure product stability. The legs may be made of: natural wood; round metal tubing with a diameter of not less than 25 mm; or a combination of metal and wood. Metal components shall have a protective anti-corrosion coating (powder coating or equivalent). The table structure shall withstand a uniformly distributed load of not less than 30 kg. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
3.	Office desk 750*2100*900 Stoned Oak with rounded edges	2 pcs
	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 750 mm, Length: 2100 mm, Width: 900 mm, Tabletop thickness: 36 mm. Color: Tabletop color – 5527 SN Stoned Oak Tabletop Material: Kronospan particle board Legs: The table legs shall be made of metal, manufactured from square steel profile tubing with a cross-section of at least 60 × 60 mm, or an equivalent	

	structure of comparable strength. The metal wall thickness shall be not less than 3 mm. Color: black Note: The edges of the table are rounded. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
4.	Office desk 750*1750*900 Stoned Oak with rounded edges	2 pcs
	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 750 mm Length: 1750 mm Width: 900 mm Tabletop thickness: 36 mm Color: Tabletop color – 5527 SN Stoned Oak Tabletop Material: Kronospan particle board Legs: The table legs shall be made of metal, manufactured from square steel profile tubing with a cross-section of at least 60 × 60 mm, or an equivalent structure of comparable strength. The metal wall thickness shall be not less than 3 mm. Color: black Note: The edges of the table are rounded. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
5.	Office desk 750*1400*600 Stoned Oak with rounded edges	1 piece
		

	<i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 750 mm Length: 1400 mm Width: 600 mm Tabletop thickness: 36 mm Color: Tabletop color – 5527 SN Stoned Oak Tabletop Material: Kronospan particle board Legs: The table legs shall be made of metal, manufactured from square steel profile tubing with a cross-section of at least 60 × 60 mm, or an equivalent structure of comparable strength. The metal wall thickness shall be not less than 3 mm. Color: black Note: The edges of the table are rounded. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
6.	Office desk on 5 supports 750*1400*600 Stoned Oak with rounded edges	1 piece
	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 750 mm Length: 1400 mm Width: 600 mm Tabletop thickness: 36 mm Color: Tabletop color – 5527 SN Stoned Oak Tabletop Material: Kronospan particle board 5 Legs: The table legs shall be made of metal, manufactured from square steel profile tubing with a cross-section of at least 60 × 60 mm, or an equivalent structure of comparable strength. The metal wall thickness shall be not less than 3 mm. Color: black	

	Note: The edges of the table are rounded. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
7.	Office desk on 6 supports 750*2400*600 Stoned Oak with rounded edges	1 piece
	<i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 750 mm Length: 2400 mm Width: 600 mm Tabletop thickness: 36 mm Color: Tabletop color – 5527 SN Stoned Oak Tabletop Material: Kronospan particle board 6 Legs: The table legs shall be made of metal, manufactured from square steel profile tubing with a cross-section of at least 60 × 60 mm, or an equivalent structure of comparable strength. The metal wall thickness shall be not less than 3 mm. Color: black Note: The edges of the table are rounded. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
8.	Hanging wall shelf with bracket white 18*1100*250	10 pcs
	<i>*Picture sample is provided for illustrative purpose only</i> Color: white or similar to palette white Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette) Dimensions: length 900 mm, width 250 mm, thickness 18 mm	

	Bracket: white metal (quantity at the discretion of the Furniture hardware maker) Important: To be mounted on the wall The shelf supports shall be made of metal and designed for the installation and secure fixation of shelves made of laminated particleboard (laminated chipboard) Technical Requirements: Material: steel or zinc alloy; Corrosion-resistant coating (nickel plating, zinc plating, or equivalent); Mounting pin diameter: not less than 5 mm; Secure shelf fixation without displacement during operation; Load-bearing capacity of a set of two supports: not less than 15 kg of evenly distributed load. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
9.	Chest of drawers for storage, tea and coffee 860*1100*400	4 pieces
	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Construction & Material: Freestanding Kronospan particle board. White material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Size: height 860 mm, length 1100 mm, width 400 mm Facade color: white or similar palette white Frame color: 5527 SN stoned oak or similar to palette stoned oak Features: with shelves, compartments with doors, + 4 pull-out drawers with built-in handles Concealed Furniture hardware hinge for hinged cabinet doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting type or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Suitable for chipboard (particleboard) or MDF fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent.	

	Concealed full-extension drawer runner system with an integrated soft-close mechanism, Blum TANDEM/TANDEMBOX type or equivalent. Technical Requirements: Full-extension drawer system; Smooth and silent closing; Concealed slide mounting; Front adjustment in at least two directions (two-dimensional adjustment); Service life of not less than 80,000 opening/closing cycles; Metal components made of steel with a corrosion-resistant coating. Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the chest of drawers fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
10.	Chest of drawers for storage, tea and coffee 860*1200*400	3 pieces
	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Construction & Material: Freestanding Kronospan particle board. White material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Size: height 860 mm, length 1200 mm, width 400 mm Facade color: white or similar palette white Frame color: 5527 SN stoned oak or similar to palette stoned oak Features: with shelves, compartments with doors, + 4 pull-out drawers with built-in handles. Furniture hardware for example Blum. Concealed Furniture hardware hinge for hinged cabinet doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting type or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Suitable for chipboard (particleboard) or MDF fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent. Concealed full-extension drawer runner system with an integrated soft-close mechanism, Blum TANDEM/TANDEMBOX type or equivalent.	

	Technical Requirements: Full-extension drawer system; Smooth and silent closing; Concealed slide mounting; Front adjustment in at least two directions (two-dimensional adjustment); Service life of not less than 80,000 opening/closing cycles; Metal components made of steel with a corrosion-resistant coating. Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the chest of drawers fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
11.	Bookcase 2300*800*300	4 pcs
	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Size: Height: 2300 mm, Length: 800 mm, Width: 400 mm Color: White or similar to palette white (Cream, Ivory, Beige, Eggshell, Pearl, Bone, Vanilla, Alabaster, Linen) Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Furniture hardware: Concealed cabinet hinges for hinged wardrobe doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting system or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Designed for particleboard (chipboard) fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent. Features: open shelves, compartments with doors with shelves (built-in handles). Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the Bookcase fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery	

	The Bidder shall submit: Detailed photos of the offered items	
12.	Bookcase 2300*800*400	7 pcs
	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Size: Height: 2300 mm, Length: 800 mm, Width: 400 mm Color: White or similar to palette white (Cream, Ivory, Beige, Eggshell, Pearl, Bone, Vanilla, Alabaster, Linen) Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Furniture hardware: Concealed cabinet hinges for hinged wardrobe doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting system or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Designed for particleboard (chipboard) fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent. Features: open shelves, compartments with doors with shelves (built-in handles). Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the Bookcase fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
13.	Bookcase 2100*900*400	2 pcs

**Picture sample is provided for illustrative purpose only*

The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.

Size: Height: 2100 mm, Length: 900 mm, Width: 400 mm

Color: White or similar to palette white (Cream, Ivory, Beige, Eggshell, Pearl, Bone, Vanilla, Alabaster, Linen)

Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm.

Furniture hardware: Concealed cabinet hinges for hinged wardrobe doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting system or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Designed for particleboard (chipboard) fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent.

Features: open shelves, compartments with doors with shelves (built-in handles).

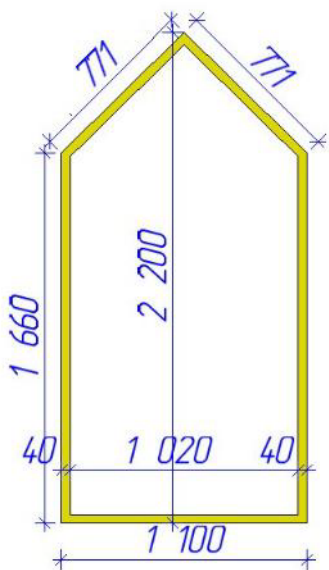

Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the Bookcase fits tightly against the wall without gaps, despite the presence of the baseboard.

Warranty: Minimum 1 year from the date of delivery

The Bidder shall submit: Detailed photos of the offered items

14.	Bookcase 2300*900*400	2 pcs
-----	-----------------------	-------

	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Size: Height: 2300 mm, Length: 900 mm, Width: 400 mm Color: White or similar to palette white (Cream, Ivory, Beige, Eggshell, Pearl, Bone, Vanilla, Alabaster, Linen) Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Furniture hardware: Concealed cabinet hinges for hinged wardrobe doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting system or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Designed for particleboard (chipboard) fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent. Features: open shelves, compartments with doors with shelves (built-in handles). Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the Bookcase fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
15.	House Rack 2350*1100*400	8 pcs
	<i>*Picture sample is provided for illustrative purpose only</i> 	

	<i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Size: - Height: 2350 mm - Length: 1100 mm - Width: 400 mm - Height from shelf to roof: 600 mm Color: white or similar to the white palette (cream, ivory, beige, eggshell, pearl, bone, vanilla, alabaster, linen), edge yellow or similar to the yellow palette. Edge - yellow RAL 1016. Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Back panel: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Important: 1. Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the House Rack fits tightly against the wall without gaps, despite the presence of the baseboard. 2. Attach the house rack to the wall! Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
16.	Decorative strip for the outline of houses on wall 5962 mm	1 piece
	 <i>*Picture sample is provided for illustrative purpose only</i> Width: 40 mm, thickness: 18 mm Material: Particle board (DSP) Color: 5527 SN Stone Oak Total length: 5962 mm, to be divided into sections according to the drawing. Important: Mount on wall. Warranty: Minimum 1 year from the date of delivery. The Bidder shall submit: Detailed photos of the offered items	

17.	Desktop 750*1400*700	1 piece
	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 750 mm, Length: 1400 mm, Width: 700 mm Pedestal dimensions: Length: 350 mm, Width: 400 mm Color: Main color – Stone Oak. Leg color – black Material: Tabletop: particle board (DSP), Kronospan. Table legs: metal, made of square steel profile tubing with a cross-section of not less than 60 × 60 mm or an equivalent load-bearing construction. Metal wall thickness: not less than 3 mm. Features: 4 pull-out drawers. Furniture hardware: Blum concealed full-extension drawer slide system with integrated soft-close mechanism (damping), type Blum TANDEM / TANDEMBOX or equivalent. Technical requirements: Full-extension drawers; Smooth and silent closing; Concealed slide mounting; Front adjustment in at least two directions; (corrected: removed corrupted text) Service life of not less than 80,000 opening/closing cycles; Metal components made of steel with a corrosion-resistant coating. Note: The edges of the table are rounded. Warranty: Minimum 1 year from the date of delivery. The Bidder shall submit: Detailed photos of the offered items	
18.	Storage cabinet with a lockable drawer 600*600*400	2 pcs

	  <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 600 mm, Length: 600 mm, Width: 400 mm Color: Front color – white. Body color – 5527 SN Stone Oak Material: Particle board (DSP) Kronospan. White material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. 3 pull-out drawers, bar handles, cabinet on casters, top drawer lockable with a key. Furniture hardware: Blum. Concealed full-extension drawer slide system with an integrated soft-close mechanism (damping), Blum TANDEM / TANDEMBOX type or equivalent. Technical requirements: Full-extension drawer system; Smooth and silent closing; Concealed slide mounting; Front adjustment in at least two planes; Service life of not less than 80,000 opening/closing cycles; Metal components made of steel with a corrosion-resistant coating. Warranty: Minimum 1 year from the date of delivery. The Bidder shall submit: Detailed photos of the offered items	
19.	Wardrobe for documents with a keylock white 2100*900*400	2 pieces
	  <i>*Picture sample is provided for illustrative purpose only</i>	

	<i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 2100 mm, Length: 900 mm, Width: 400 mm. Color: White Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Features: Shelves, doors lock with a key Handle: Bar handle, chrome, without sharp edges. Furniture hardware: Concealed furniture hinge for hinged cabinet doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting type or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Designed for particleboard (chipboard) or MDF fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent. Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the Wardrobe fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
20.	Wardrobe for documents with a keylock white 2300*600*400	2 pcs
	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 2300 mm, Length: 600 mm, Width: 400 mm. Color: White Material: Particle board Features: Shelves, doors lock with a key Handle: Bar handle, chrome, without sharp edges. Furniture hardware: Concealed furniture hinge for hinged cabinet doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting type or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Designed for particleboard (chipboard) or MDF fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent.	

	Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the Wardrobe fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
21.	Wardrobe for documents with a keylock white 2300*800*400	6 pieces
	<i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 2300 mm, Length: 900 mm, Width: 400 mm. Color: White Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Features: Shelves, doors lock with a key Handle: Bar handle, chrome, without sharp edges. Furniture hardware: Concealed furniture hinge for hinged cabinet doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting type or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Designed for particleboard (chipboard) or MDF fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent. Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the Wardrobe fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
22.	Wardrobe for documents with a keylock white 2300*900*400	4 pieces

	<i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Dimensions: Height: 2300 mm, Length: 900 mm, Width: 400 mm. Color: White Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. Features: Shelves, doors lock with a key Handle: Bar handle, chrome, without sharp edges. Furniture hardware: Concealed furniture hinge for hinged cabinet doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting type or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Designed for particleboard (chipboard) or MDF fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent. Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the Wardrobe fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
23.	Wardrobe for outerwear white 2100*900*600	3 pieces
	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Size: Height: 2100 mm, Length: 900 mm Width: 600 mm Color: White or similar to palette white (Cream, Ivory, Beige, Eggshell, Pearl, Bone, Vanilla, Alabaster, Linen) Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm Features: 1 shelf, clothes rail, 4 hooks Handle: Bar handle, chrome, without sharp edges. Furniture hardware: Concealed furniture hinge for hinged cabinet doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting type or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Designed for particleboard (chipboard) or MDF fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent.	

	Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the Wardrobe fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
24.	Wardrobe for outerwear with a keylock white 2300*600*400	3 pieces
	<i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Size: Height: 2300 mm, Length: 600 mm Width: 400 mm Color: White or similar to palette white (Cream, Ivory, Beige, Eggshell, Pearl, Bone, Vanilla, Alabaster, Linen) Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm Features: 2 shelves, perpendicular clothes rail, lockable cabinet doors with a key Handle: Bar handle, chrome, without sharp edges. Furniture hardware: Concealed furniture hinge for hinged cabinet doors, with an opening angle of not less than 110°, equipped with an integrated soft-close mechanism. Clip-On mounting type or equivalent, with three-dimensional adjustment. Material: steel with a corrosion-resistant coating. Designed for particleboard (chipboard) or MDF fronts. Service life: not less than 80,000 opening/closing cycles. Manufacturer: Blum or equivalent. Important! Plinth 100 mm; along the back panel, the plinth must be recessed by 30 mm. The structure should therefore be designed so that the Wardrobe fits tightly against the wall without gaps, despite the presence of the baseboard. Warranty: Minimum 1 year from the date of delivery The Bidder shall submit: Detailed photos of the offered items	
25.	Wardrobe for outerwear white 2300*900*600	1 piece

	 <i>*Picture sample is provided for illustrative purpose only</i> <i>The items must be manufactured to order in accordance with the specified technical requirements for materials and dimensions. Ready-made products shall not be accepted.</i> Size: Height: 2300 mm, Length: 900 mm Width: 600 mm Color: White or similar to palette white (Cream, Ivory, Beige, Eggshell, Pearl, Bone, Vanilla, Alabaster, Linen) Material: Laminated chipboard Swiss Krono U570 VL Porcelain White (or similar in the color palette), thickness 18 mm. REQUIREMENTS:

All Goods and materials to be incorporated into the requested Goods must be new, originally manufactured, unused, and of the most recent or current models, and incorporate all recent improvements in design and materials.

Only products of the original manufacturers shall be offered.

Associated services on assembling and installation:

Associated services of assembling and installation of the Furniture shall be provided within 14 calendar days upon delivery to corresponding locations in Ukraine – four locations in Rivnenska and Kyivska regions: 1) 3a Slovatskoho St., Rivne; 2) 2a Ruslana Dubovtsia St., Rokytne, Rivne Oblast; 3) 12 Bohdana Khmelnytskoho St., Demydivka, Rivne Oblast; 4) 4/1a Kashtanova St., Obukhiv, Kyiv Oblast. See Annex for details.

Time Schedule and Delivery Terms:

Delivery time:

The Goods should be delivered within **90 calendar days** preferably but within **120 days** maximum from the receipt of OSCE Purchase Order, including the time required for obtaining export permit/license, if necessary. The Goods are for donation. In case of need the end-user, certificate will be signed by the Beneficiary. The Beneficiary is local social centres, local regional or municipal authorities.

Delivery terms: DDP Rivnenska and Kyivska regions (four locations), Ukraine, including unloading.

Delivery, assembling and installation of Goods shall be provided in Ukraine: four locations in Rivnenska and Kyivska regions: 1) 3a Slovatskoho St., Rivne; 2) 2a Ruslana Dubovtsia St., Rokytne, Rivne Oblast; 3) 12 Bohdana Khmelnytskoho St., Demydivka, Rivne Oblast; 4) 4/1a Kashtanova St., Obukhiv, Kyiv Oblast. See Annex for details.

Warranty:

The Goods should be covered by standard manufacturer's warranty terms and conditions starting from the date of delivery unless other is specified in technical requirements, but not less than one year from the date of the delivery.

QUALIFICATION OF BIDDER

The Bidder must have minimum three (3) years of relevant business experience.

A descriptive summary of the company's professional capacity and experience, including a list of goods and services relevant to the subject of this solicitation that were provided to other clients (year/ client/ goods/ service) shall be provided within the Quotation. Former experience shall be supported by at least three customers' references from the organisations, with whom the similar contracts were signed.

The Bidder must possess all relevant permits, certificates and licences for supply of Furniture in Ukraine as indicated in the Terms of Reference. The Bidder shall submit documentary evidence establishing to the OSCE's satisfaction that in the case of offering the Goods which company did not manufacture or otherwise produce, the company has been duly authorized by the Goods manufacturer or producer to supply such Goods and provide ancillary services.

The Bidder must complete Technical Compliance Form providing item-by-item commentary on the compliance of all proposed Goods and services with the technical specifications and requirements and detailed description included. The completed form must be provided within the Quotation.

EVALUATION OF QUOTATIONS

The applied selection method is Least-Cost Selection. Evaluation will be made separately for each LOT.

As a general rule, only Quotations that are technically acceptable and that provide all the necessary evidence required in the RFQ will be considered for financial evaluation. The Quotations will be evaluated by applying “fail/comply” system according to the following criteria, not necessarily listed in order of priority:

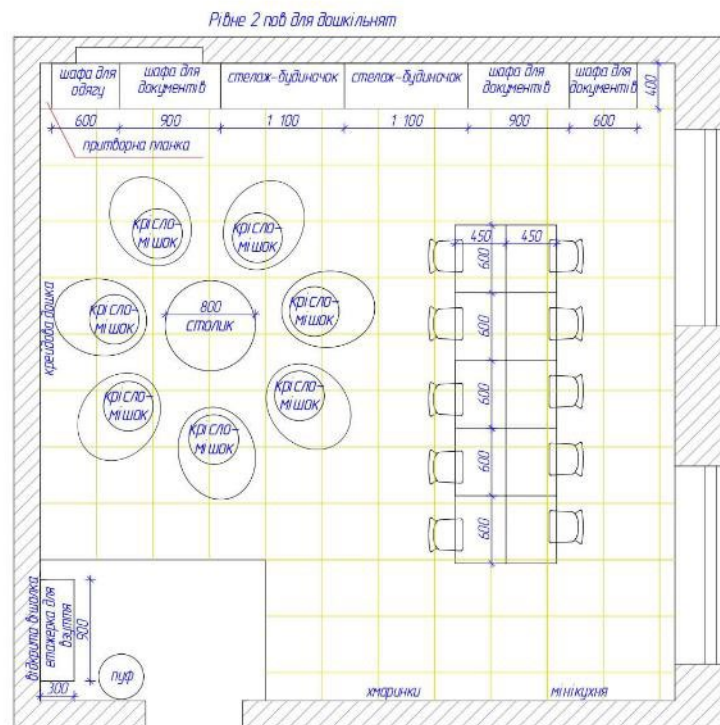

- a) Demonstrated financial and managerial capability for executing the contract (incl. Bidder's experience in providing goods and services of similar nature and scale).
- b) Demonstrated understanding of the OSCE's need for quality goods and services.
- c) Item-by-item commentary on the technical specifications and requirements demonstrating the capability to provide the required goods and services.
- d) Responsiveness to the RFQ (Technical Specification/Terms of Reference).
- e) Cost comparison between responsive Bidders. From among all technical acceptable Quotations, the award will be made to the lowest cost Bidder.

Four locations in Rivnenska and Kyivska regions:

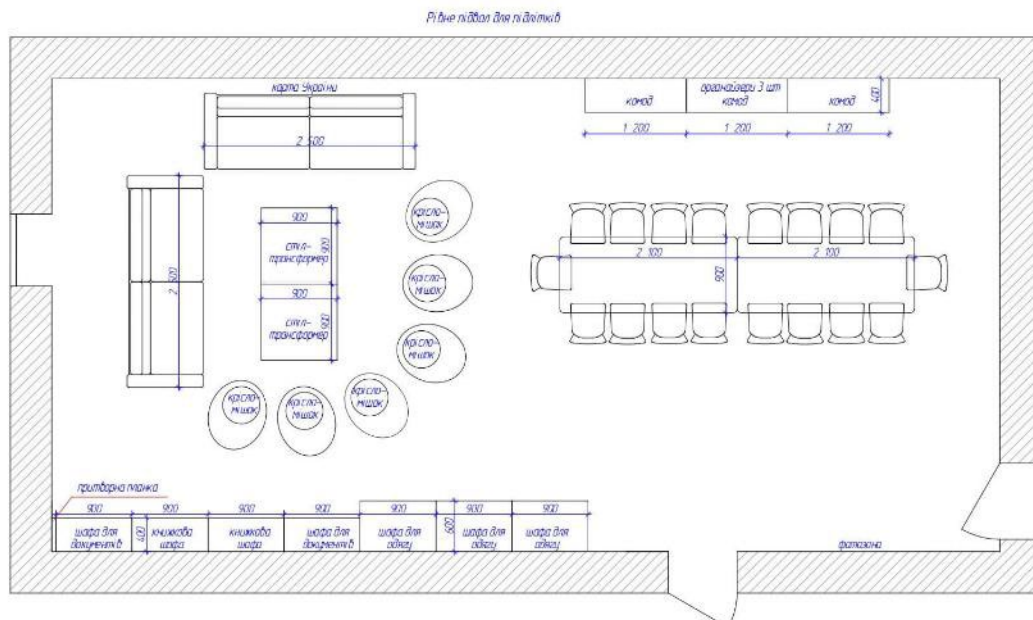

1) 3a Slovatskoho St., Rivne; 2) 2a Ruslana Dubovtsia St., Rokytne, Rivne Oblast; 3) 12 Bohdana Khmelnytskoho St., Demydivka, Rivne Oblast; 4) 4/1a Kashtanova St., Obukhiv, Kyiv Oblast.
