**ITB No. OMIK/01/2013 -Provision of GPS Vehicle Tracking and Data Capturing System to the OSCE Mission in Kosovo**

**Clarification Note No. 2**

The OSCE received a request for clarification from potential bidder. In accordance with Article 8 “Clarification of Bidding Documents” of Section I of the Bidding Documents the OSCE would like to provide the following clarifications:

Question:

The system functioning not to be impeded by low network coverage. Is satellite-based communication suitable, or a conventional GPRS + SMS when out of coverage is ok?

Answer:

Satellite-based communication is not required. GPRS+SMS is acceptable but the bidders offering this option are required to specify any additional SMS costs.

Question:

The possibility to interconnect the data capturing system with the vehicles board computer (if required), for acquiring odometer readings, empty battery, worn out brake pads, low level engine oil basic technical notification. This kind of information is year and model dependant; do you have more information about vehicle model and year?

Answer:

Please see below list:
