Question:

I have a query regarding the following point:

(iii) At least one sample of translations per each language combination as they were sent to the bidder's clients (not published reports), including original version of the same document.

Due to our confidentiality arrangements with our clients, it will not be possible for us to provide this. Will it be possible for you to provide sample texts which we could translate as a demonstration?

Answer:

Submission of sample translations is preferable. However, under the described circumstances the bidders may not submit samples. As specified in the Bidding Documents, the OSCE reserves the right to conduct a written test with any bidder.
